Tournament rule 3.d – special pinch runner

Twice a game but not more than one time per inning, a team may utilise a player who is not in the batting order as a special pinch-runner for any offensive player. A player may only be removed for a special pinch-runner one time during a game. The player for whom the pinch-runner runs is not subject to removal from the line-up. If the pinch-runner remains in the game as a substitute defensive or offensive player, the player may not be used again as a pinch-runner while in the batting order. However, if removed for another substitute that player or any player not in the line-up, is again eligible to be used as a pinch-runner.

Clarification from LLI (Williamsport) – Tournament rule 3d

A special pinch runner cannot be used for any player until such time as the first at-bat has been successfully completed i.e. first time the player must run the bases for themselves.

[4.a]
- The pitcher would be allowed to play the catcher position provided that pitcher is moved, removed, or the game is completed before delivering a pitch to another batter. If a player delivers 41 or more pitches, and is not covered under the threshold exception, the player may not play the position of catcher for the remainder of that day. [4.d]

Tournament Rule 6 – Bench / dugout

No one except the players, manager and coach(es) shall occupy the bench or dugout during a game.

EOs (BA rule)

EO's are allowed in the dugout during games; however, are not allowed on the playing surface. They are only allowed to move between the dugout and off-field.

Managers/Coaches in the Dugout [Tournament organisation]

If a tournament team has twelve or more eligible players in uniform at the game site at the start of a game, then the maximum of three adults who are named on the affidavit (or authorised replacements as noted on the affidavit) will be permitted to act as manager/coaches for that game. The three named adults must be listed on the affidavit and on the Game Line up.

However, if a tournament team has eleven or fewer eligible players in uniform at the game site at the start of a game, then a maximum of two adults must be named at the start of the game as manager and coach. The two named adults must be listed on the affidavit or must be authorized temporary replacements as noted on the affidavit. If there is a third adult listed on the affidavit, that adult is not permitted to be in the dugout or on the field during that game.

NOTE: Base coaches may be adults and/or players provided at least one adult manager or coach remains in the dugout.

Tournament Rule 7: Visits

A manager or coach may not leave a dugout for any reason during a game without receiving permission from an umpire. The manager or coach may be removed from the field for the remainder of the game for violation of this rule. When permission is granted, the manager or coach will be permitted to go to the mound to confer with the pitcher or any defensive player(s). A manager or coach who is granted a time out to talk to any defensive player will be charged with a visit to the pitcher.

A manager or coach may come out once in one inning to visit with the pitcher, but the second time out, the player must be removed as a pitcher. The manager or coach may come out twice in a game to visit with the pitcher, but the third time out, the player must be removed as a pitcher. The rule applies to each pitcher who enters a game.

Tournament Rule 9: Mandatory Play

Little/Intermediate/Junior League

- If a tournament team has 13 or more eligible players in uniform at a game, then every player on a team roster shall participate in each game for a minimum of one at bat and three consecutive defensive outs [BA local variation to the rule].
 - If a tournament team has 12 or fewer eligible players in uniform at a game, then every player on a team roster shall participate in each game for a minimum of six consecutive defensive outs and at least one at bat.
- BA modification for LL Div 2 – all teams to bat through the line-up. Defensive outs apply as above.
- a) Managers are solely responsible for ensuring that all players fulfil the requirements of mandatory play, even if notification is not made.
 - b) There is no exception to this rule unless the game is shortened for any reason.
NOTE: A game is not considered shortened if the home team does not complete the offensive half of the sixth or seventh inning (or any extra inning) due to winning the game.
 - c) Failure to meet the mandatory play requirements in this rule is a basis for protest. If one or more players on a roster do not meet this requirement, and if protested or brought to the Tournament Committee's attention in the removal of the team's manager, without replacement, for the remainder of the Tournament Pathway.
Exception: A player removed prior to meeting the running portion of their mandatory play requirement will be treated as an improper substitute.

Additional penalties (including but not limited to forfeiture of a game, additional mandatory play requirements for players who failed to meet mandatory play, and/or disqualification of the team or coaches from further tournament participation) may be imposed if, in the opinion of the Tournament Committee:

1. a manager or coach takes any action that results in making a travesty of the game, causing players to intentionally perform poorly for the purpose of extending or shortening a game, or;
2. a team fails to meet the requirements of this rule more than once during the International Tournament, which begins with District play and ends at the World Series level (State level for 8- to 10- and 9- to 11-Year-Old Divisions), or;
3. a manager wilfully and knowingly disregards the requirements of this rule.

A manager or coach suspended for any reason is not permitted to be at the game site and must not take any part in the game(s), nor have any communications whatsoever with any persons at the game site. This includes pregame and postgame activities. Violation may result, by action of the Tournament Committee, in further suspension; forfeiture of a game; and/or disqualification of the team, managers, or coaches from further tournament participation.

For the purpose of this rule:

- "six consecutive defensive outs" or "three consecutive defensive outs" is defined as: A player enters the field in one of the nine defensive positions when his/her team is on defence and occupies such position while six or three consecutive outs are made;
- "bat at least one time" is defined as: A player enters the batter's box with no count and completes that time at bat by being retired, retired as a batter-runner or runner, scores or the inning or game ends.

BA rule clarification – Tournament Rule 9

- Every rostered player must have one At-Bat each, as mandatory play.
- EXPLANATION: An AT-BAT, for the purposes of meeting the requirements of Mandatory Play (if applicable), is when a batter assumes the position of a batter with no count and is
 - a. retired, or
 - b. retired as a batter-runner or
 - c. retired as a runner or,
 - d. scores, or
 - e. the inning or game ends.
- If a player has multiple turns to bat, the minimum requirement is one At-Bat that must be achieved when a player assumes the position of a batter for the first time, not during any subsequent times in the batter's box.
- An At-Bat is not counted if any one of the above do not occur. The purpose is to have a player run the bases and not be subbed out or a special pinch runner/courtesy runner change.
- If a Substitution, Pinch Runner, Special Pinch Runner or Courtesy Runner takes place, there will be NO At Bat accrued for either player.

Tournament Rule 10: Substitutions/Re-Entry

- a. If illness, injury, or the ejection of a player prevents a team from fielding nine players, a player previously used in the line-up may be inserted, but only if there are no other eligible substitutes available. The opposing team manager shall select the player to re-enter the line-up. A player ejected from the game is not eligible for re-entry.
- b. Any player who has been removed for a substitute may re-enter the game in the SAME position in the batting order.
- c. A substitute entering the game for the first time may not be removed prior to completion of her/his mandatory play requirements.

NOTE 1: See definitions in Rule 9(d) on complying with this rule defensively and offensively. Tournament Playing Rule 10(c) does not apply to Senior League.

NOTE 2: A player who has met the mandatory play requirements and is a pitcher at the time she/he is removed, may be removed for a substitute batter and re-enter the game as a pitcher once, provided the pitcher was not physically replaced on the mound. If a team has thirteen or more players in uniform at the start of a game and is the visiting team, they may substitute a batter for the starting pitcher listed in the line-up prior to the pitcher facing a batter without violating Rule 3.03(c) provided that the pitcher of record pitches to the first batter in the bottom of the first inning in accordance with Rule 3.05. All other rules governing the pitcher are still in effect.

EXCEPTION: Does not apply to Senior League.

- d. Defensive substitutions must be made while the team is on defence. Offensive substitutions must be made at the time the offensive player has her/his turn at bat or is on base.
- e. A starter and her/his substitute must not be in the line-up at the same time, except as provided in Playing Rule 10(a).
- f. Improper substitution is a basis for protest. Protests involving improper substitution not resolved before the next pitch or play shall not be considered.
- g. Tournament Rule 3(d) will replace Rule 7.14, as the Special Pinch Runner rule.
- h. Intermediate/Junior/Senior League only: A pitcher remaining in the game, but moving to a different position, can return as a pitcher anytime in the remainder of the game, but only once per game.
- i. Senior League only: Rule 3.03, Designated Hitter, WILL apply during the tournament.

- j. Senior League: Any player in the starting line-up, including the designated hitter, who has been removed for a substitute may re-enter the game ONCE, provided such player occupies the same batting position as he or she did in the starting line-up. A substitute (non-starter) may not re-enter the game in any position once that player is removed from the line-up.

Tournament Rule 11: Suspended Games

Any game in which a winner cannot be determined in accordance with the playing rules shall be resumed from the exact point at which it was suspended regardless of the number of innings played. Incomplete (not regulation) or tie games are considered suspended games.

Tournament Rule 12: Run Rule

If at the end of a regulation game one team has a lead of ten runs or more, the manager of the team with the least runs shall concede the victory to the opponent.

NOTE 1: If the visiting team has a lead of fifteen or ten or more runs respectively, the home team must bat in its half of the inning.

NOTE 2: A game determined by the 15-run rule, shall be considered a regulation game.

Tournament Rule 13: Regulation Game

Each tournament game must be played to the point of being an official game:

- a. Regulation games are of four or more innings [five or more innings for Intermediate/Junior/Senior League] in which one team has scored more runs than the other [three and one-half (3 ½) if the home team is ahead or four and one-half (4 ½) if the home team is ahead in Intermediate/Junior/Senior League].
- b. Regulation games (when a winner can be determined) terminated because of weather, darkness, or curfew must be resumed if the visiting team ties the game or takes the lead in its half of the inning and the home team does not complete its at bat or take the lead in an incomplete inning. This does not apply to games suspended or delayed by weather that may still be resumed before darkness or curfew (as defined in Tournament Rules and Guidelines – Curfew) on the same day.
