

LITTLE LEAGUE TEE-BALL CHAMPIONSHIP

Baseball WA and TBAWA have been discussing plans to introduce a tee-ball event as part of the Little League State Championship held across Easter annually.

To do this, and keeping in the theme of the event, we are inviting a team from each of the chartered regions to put an Under 10 team into the 4 day event. With two games per day, potential to play games under lights and livestreaming of finals, it promises to be a fantastic experience for the players and coaches involved.

Tee-ball clubs have been allocated to charters based on location and natural pathways.

All rules associated with the Under 10 division of the TBAWA State Championship shall apply.

Selection and organisation of teams can be done either by the existing charter committee or a working group of the tee-ball club committees (or a combination of both).

Players will be charged a small tournament entry fee TBD which will include a team playing shirt and cap. An umpire roster, same as TBAWA state champs, will be required.

Charters may nominate more than one team and teams should be as even as possible.

Team nominations are required by 28 February 2024.

CLUB/CHARTER ALLOCATION

	<p>Alkimos North Coast</p>
	<p>Carine Balcatta</p>
	<p>Wanneroo-Joondalup</p>
